Jim
I had a good time
this year see you
next year have a nice summer
star the man

Jim,
Have fun this
summer and
youself. Come over and
visit here more often
this summer. Stay cool
and be nice.
D.S. & be nice.

Just
you're a real doll
though you belong to
another girl. Have a
real nice summer and
always be good. I love
you. God bless and
keep you safe. Paul

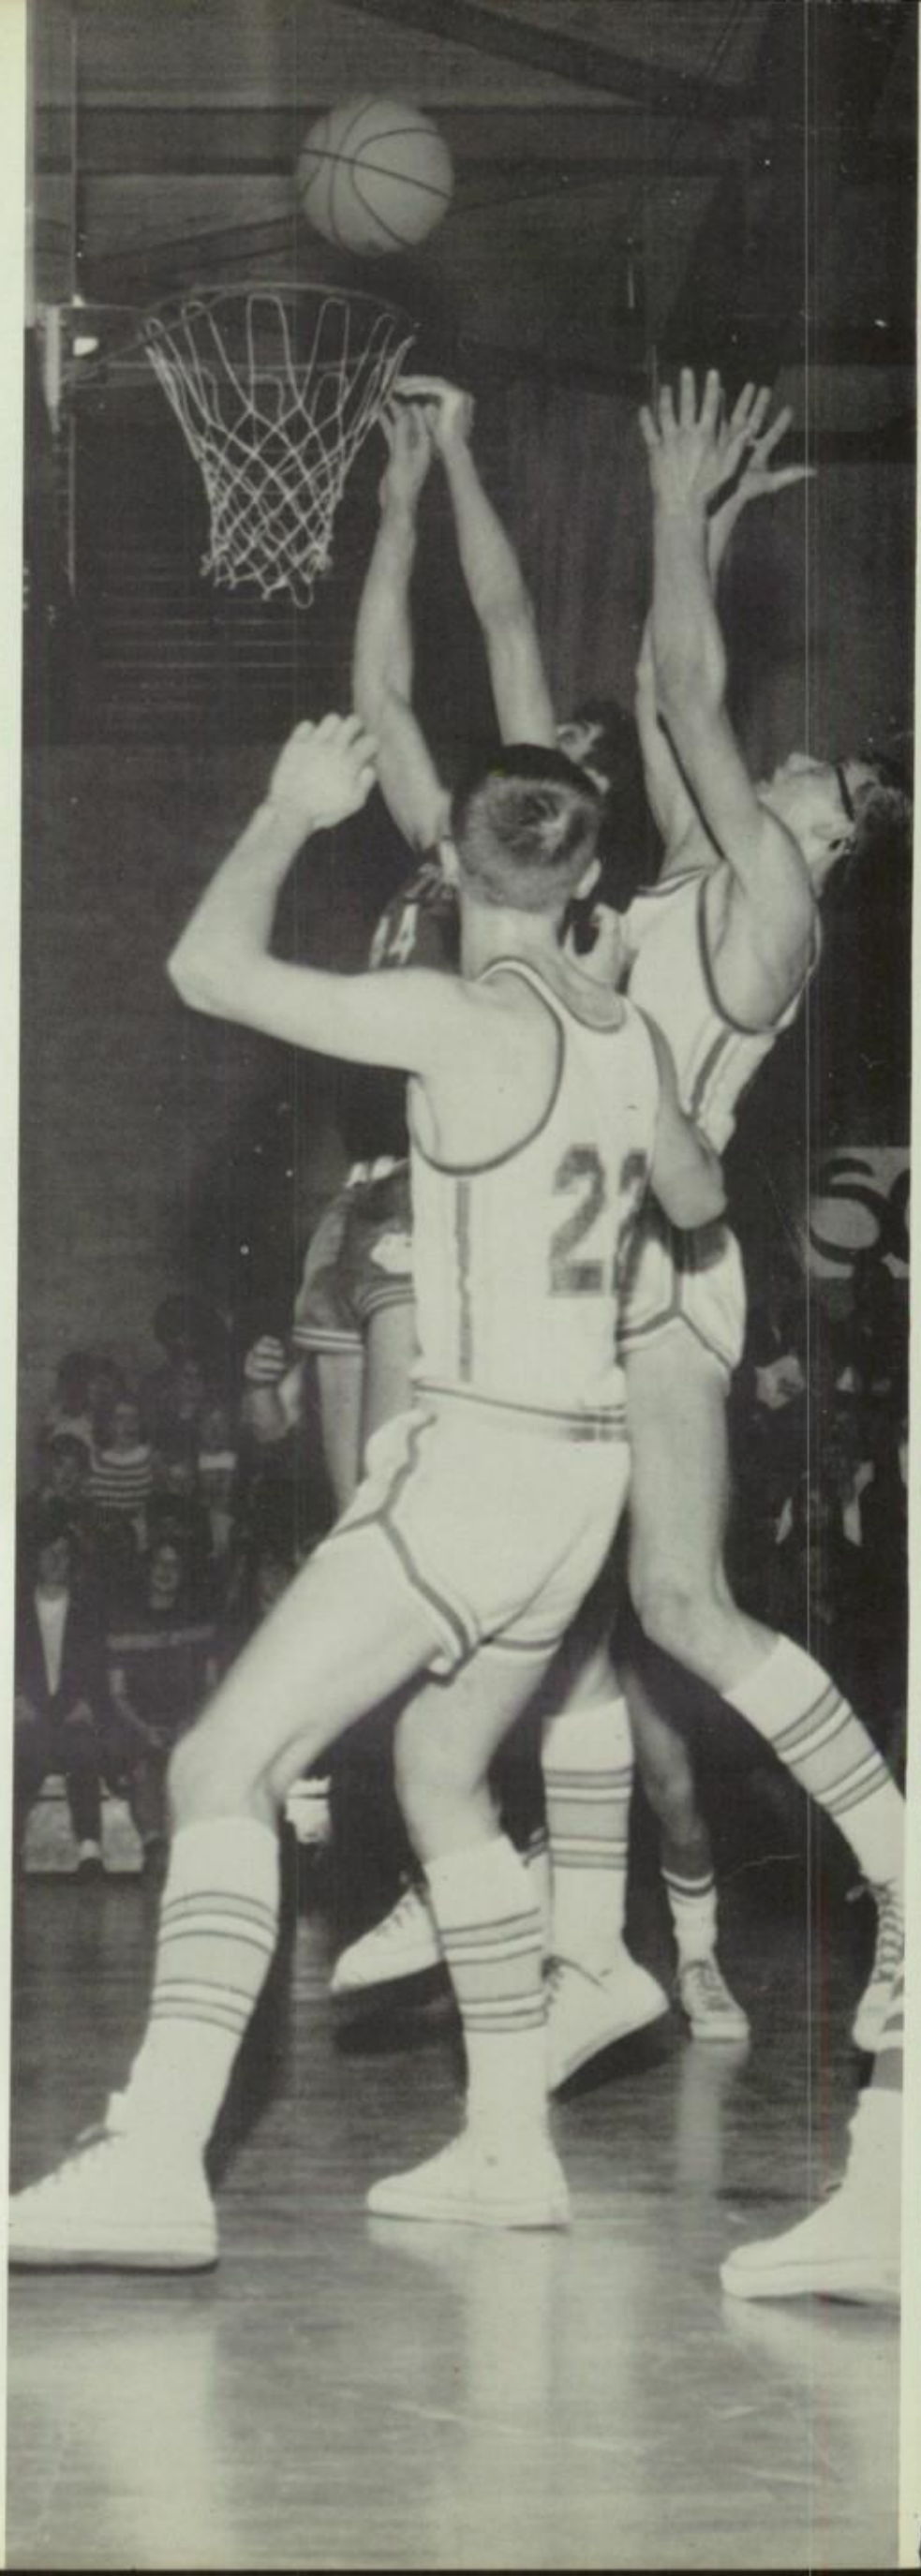

A touch of autumn filled the air; and among the falling leaves, GLACIER'S school year began.

Time passed quickly and soon the cheers at football games were hushed by the sound of falling snow.

Basketball cheers
took their places-
defeats
victories
and glory

Spring brought tempting sunny days which made school hard for some, but with guidance of teachers we plunged on.

Then—success! Seniors graduated on to other challenging goals, juniors became upper classmen and sophomores were christened mighty juniors.

Seasons are experienced throughout the world, but at GLACIER they are filled with memories of a year past and a hope for the future.

Mr. Ray Hinderlie
Principal

The Taku for 1969 is your story of Glacier High School. It has been a good year. The school has grown and we have enjoyed the fellowship and fine service of many new teachers. The student leadership has been good and active and school spirit is tops.

This has been the result of fine cooperation enjoyed by all and may it always continue. To the seniors-our best to you in whatever you plan to do. You have been a credit to Glacier, may following classes do as well.

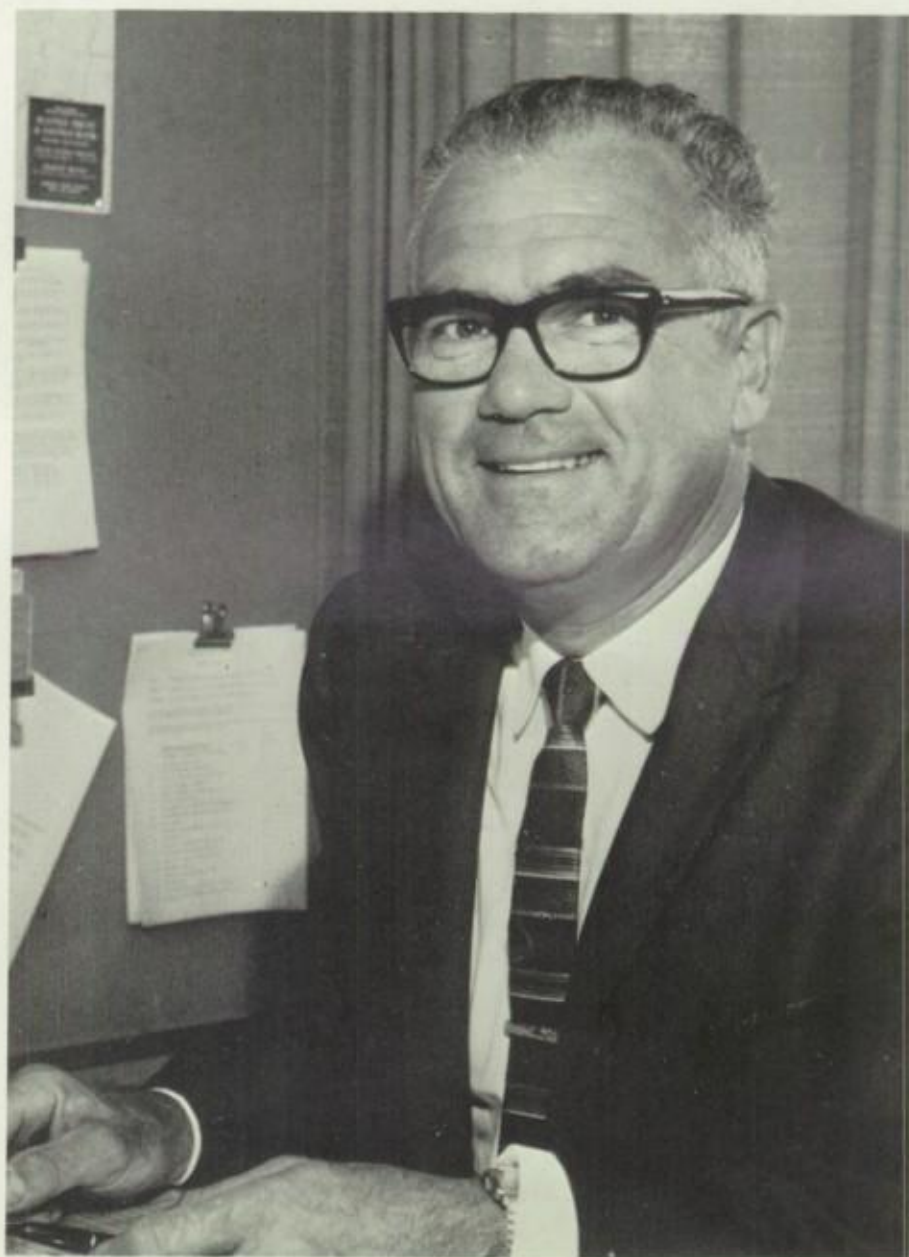

Sincerely,

Ray Hinderlie, Principal

Graduation is also referred to as Commencement. Webster says commencement means "The time of commencing or beginning." You have completed one of the most important eras of your life. Now you are going to start another. I hope as you leave these halls you all will leave prepared, or at least have some idea of what your future could have in store for you. Your motto "To The Stars" is very appropriate. Hook yourself to a star, a star within your grasp. Reach for it and work to make it yours. Our astronauts have shown that they are on their way "To The Stars." We all wish you good luck on your way to your star.

Sincerely,

Thomas Gordon, Vice Principal

STUDENT COUNCIL

Board of Control

These are the students responsible for the operation of our Student Government. They handle our school affairs and present our ideas and bills to the administration. This group consists of the A.S.B. Officers, and each Class president. Also, the Presidents from Big G, Girls' Club, Service Club, a representative from Yell Staff, the paper, and one elected member from each class share in the representation of the Glacier Student Body.

We Will Remember

It is to Mrs. Oaks, our college counselor and Mr. Boness, our senior counselor, that we dedicate this annual of 1969.

In the course of planning our future education, Mrs. Oaks took it upon herself to play the role of the middleman between each senior and college. With great patience and knowledge she has helped and guided graduates on to furthering their education.

Them Always

The understanding and encouragement through these uncertain years has not been accomplished alone, but with the guidance given to us by our senior counselor, Mr. Earl Boness.

Paving the way for us as inexperienced sophomores, inquiring juniors and concerned seniors, he has helped us to construct a better road of life.

Their dedication to us has inspired us to make our dedication to them.

Coach: Larry Seferovitch

Led by Hal Quinby, Senior letterman, Glacier High School's 1968 Cross Country team was off and running in September. Rain and cold wouldn't stop the new coach, Larry Seferovitch, from showing the way for his team of mainly underclassmen. Coach Seferovitch kept the team pushing all the time; everyone ran Varsity but only Hal Quinby and Buddy Carmody earned enough points to letter.

After the season, Quinby and Carmody won berths in the West Central District meet en route to the top. Hal Quinby placed 37th in the State meet held at Green Lake.

Coach Steve Kozu

Boys with an interest in driving the ball around and over the hazards to sink it into the cup make up Glacier's Golf team. This year's team, coached by Mr. Steve Kozu, tied with Highline for the league championship. Senior Craig Matson, Medalist, was backed by strong underclassmen. Three Juniors and two Sophomores will be the foundation for Coach Kozu's linkmen next fall.

In losing only one match, this fine record will be tough to duplicate.

This is what it's all about.

Basketball

If you've ever played girls' basketball you would know it can be exciting. The rules are a little different from the boys' rules, but that's the exciting part of it. One day during the season the girls went to another school to pit their skills against them. At the end of the season the one team with the most wins out of three or four games is the winner of the competition.

Intermurals—The Girls' Game

Gymnastics

Gracefulness and skill and good timing is the basis for a gymnast. When performing on the uneven parallel bars, trampoline, the horse and tumbling on the mats, this group of girls try to make their skills near perfect.

Volleyball

A regular volleyball team consists of six players, which can get dangerous. Just imagine six girls in one half of a volleyball court scrambling to get a ball over the net. Well as it turns out all the girls miss the ball. All this adds up to fun and excitement of playing volleyball. Skill and timing are the attributes in learning to play volleyball.

"Kangei"

Homecoming, one of Autumn's main events, started the school year off on the right foot. The dance appropriately named Kangei, meaning Welcome to Homecoming, carried out its theme perfectly. The oriental setting and refreshments, accompanied by Ted Carper's band highlighted the season as the first of many memorable events of the year.

HOMECOMING ROYALTY: Vicki Fetzer and Kathy Brandt, Senior Ladies-In-Waiting; Vicki Larson, Queen; Barb Grubb and Gloria Davidson, Senior Princesses; Irene Simpson, Junior Princess; Janann Higman, Sophomore Princess (Not Pictured).

HOMEcoming 1968

Excitement and anticipation filled Glacier's 1968 Homecoming game against the Franklin Pierce Cardinals. Although Franklin Pierce came on strong during the first half with the score 12-0, the Grizzlies struck back during the second half with Senior Mike Foote making both touchdowns to tie the score 12-12.

During half-time entertainment, the Homecoming Royalty was chauffeured around the track ending with the crowning of Queen Vicki Larson and her court. Also, the Drill Team made their debut by performing a dance routine to the music of Whipped Cream.

Touchdown for the Bears!

The first presentation of the 1968-69 drama season was a serious play, given November 17th. Set in the contemporary world. The drama dealt with the unusual life of a small town family. Each person involved, under the direction of Raejean Rossato did his share to make it a fast moving, suspenseful play.

KEY CLUB

Although Key Club is new at Glacier, it is a well respected and beneficial established club of the community. Their aim is to improve and serve the school and community. During the year, they helped with the play, "Bye Bye Birdie" and the canned food drive, put on a dance and sold candy at Halloween. Their hope in the future is to improve the school grounds at Glacier.

SERVICE CLUB

Service Club's main goal was to assist Glacier with any service it was capable of accomplishing. As in previous years, they held ropes during half-time at games and helped with the canned food drive. This year, however, they held a banquet honoring the boy (determined by a point syster) whose service was outstanding throughout the entire year.

PEP CLUB

Spirit is Pep Club's motto, and this year's club spirit has been outstanding! Along with car washes, sign painting, and dances they have introduced a new tradition to select the most spirited couple each month known as Mr. & Miss Pep. Pep Club's main goal this year was to raise money for a new bear costume.

Campus Life

Campus Life is a club sponsored by the Youth for Christ Organization. Like a number of clubs, this one is open to all students interested. Weekly meetings are held with varied topics of discussion. This group participates in such city-wide activities as the Pumpkin Panic and George Washington's Birthday Party.

Grapplers Crush Hazen 52-0

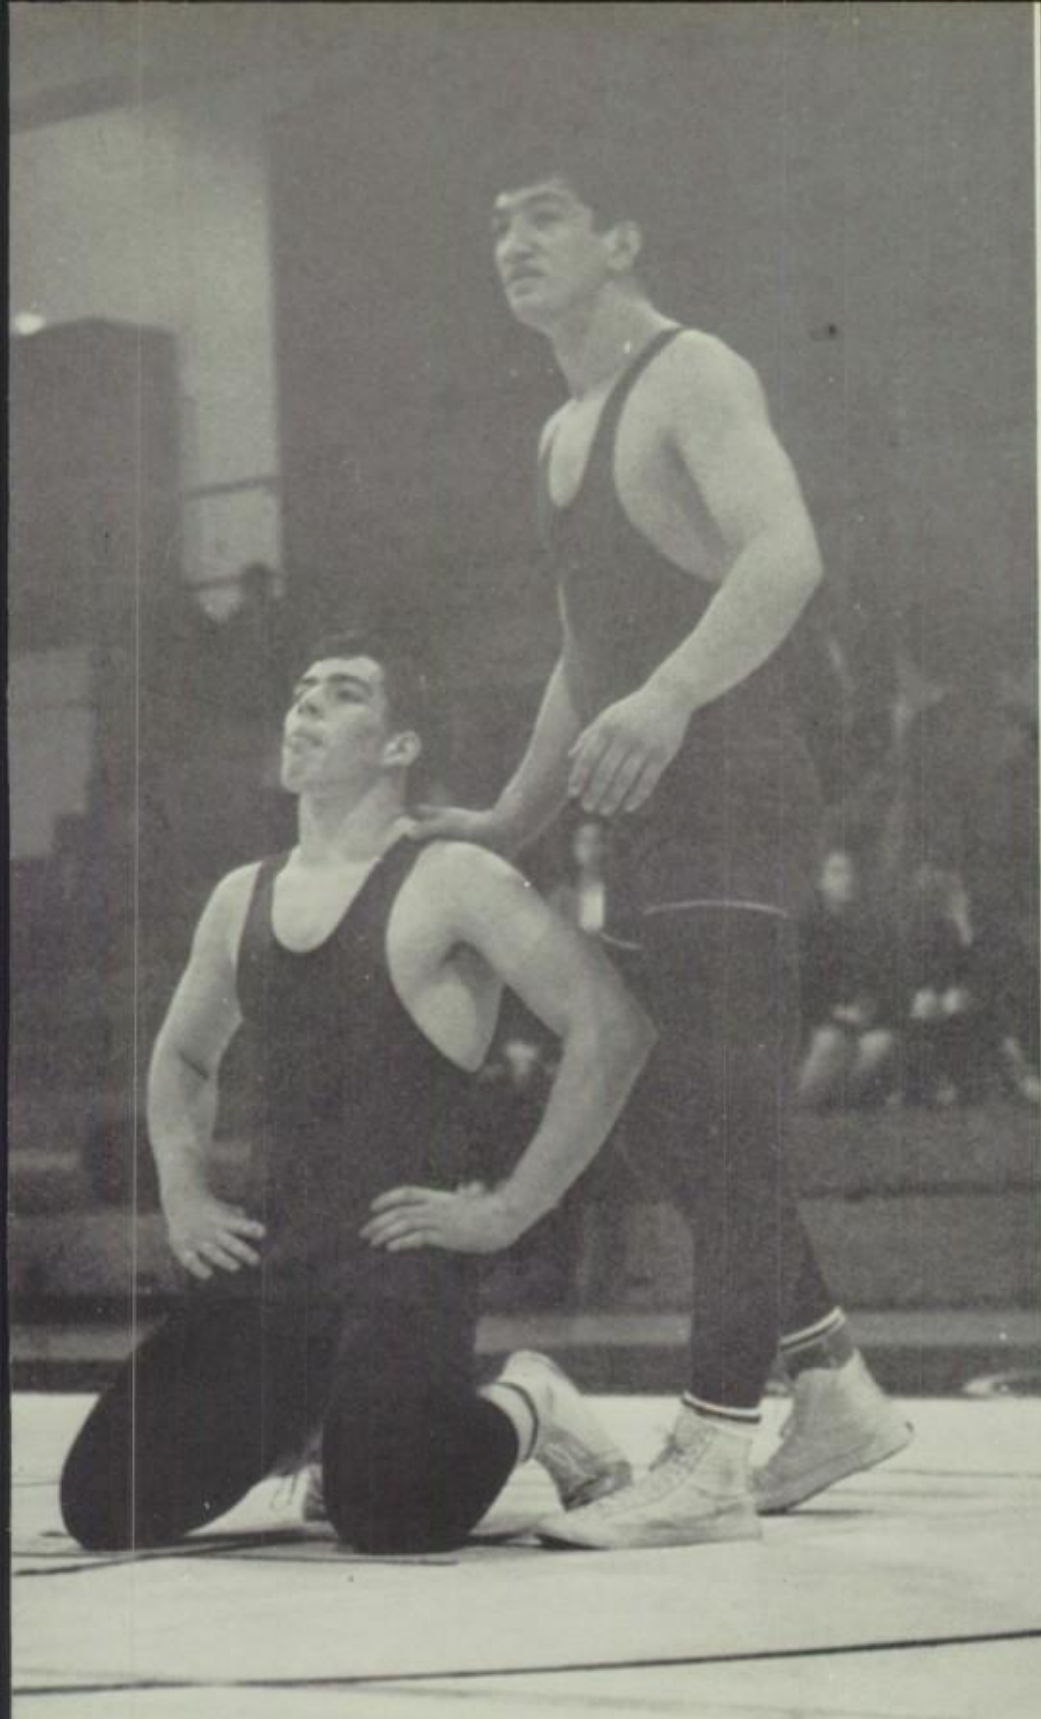

First Wrestling Shutdown Recorded at Glacier

Congratulations for a winner.

Kneeling, L to R: Steve Sackman, Leo Heider, Jim Vineyard, Jeff Carls, Brad Jacot, Jerry McKinney, Mike Brenneman, Charles Pelton, Rick Heintz, Mark Brown. Standing: Gary Dapelo, Gary Braaflat, Gary Bondelid, Tom Brown, Neil Thomas, Tim Limbert, Mike Mechling, Doug Branam, George Harper, Mike Gailey, Jim Bruins, Steve Wagner.

Wrestling, just possibly the oldest form of competitive sport, has finally taken hold at Glacier.

Under the watchful eye of Head Coach Mr. Dave Naibert, the Grizzlies finished on top in nine of twelve dual meets, shutting out Hazen on Glacier mats. The coveted shutout is accomplished only by winning twelve of twelve individual matches. The Grizzlies did this while piling up 52 points. Another first was recorded the past season; Highline was defeated. Glacier Grapplers had never before accomplished this.

Nine returning lettermen make the prospects for next year look good. The 9-3 record and third place finish will be tough to beat, but the potential is there.

3 Wrestlers Advance To State

Steve Sackman Hvy
2nd sub-District

The best wrestlers of the State met in Ellensburg for the State AA Tournament this year. In six years of Varsity Wrestling Glacier has sent but one wrestler. This year Mark Brown, Mike Brenneman and Brad Jacot represented the Blue and Gold. All should be proud of the job they did.

Rick Brown jumps for the rebound.

After the defeat of Renton, our GRIZZLIES went on to the regionals for an exciting victory with Ballard's Beavers, 58-53. The loss with the Ingraham Rams, 71-61, who took 1st, left our fighting Bears 5th in State. This year's fearless team set their goals high and worked hard to attain them. For this they will be gratefully remembered.

Managers: Wayne Erickson, Mark Jorgenson, John Taylor, Bob Bartell.

Nine seniors, five juniors and three sophomores made up the Varsity basketball team this year. With inspiration from their great coach Mr. Fred Minahan the GRIZZLIES captured the N. P. S. L. Championship for the 1st time in GLACIER history. The J. V. team, coached by Mr. Ernie Olson became strong competition in the district along with the hard working Sophomore team led by Mr. Phil Mathison. Altogether they became a proud representation of GLACIER in the 68-69 school year.

Climax to a Busy Year

May 8th, 7:00 p.m. found the Glacier Gym bubbling with mothers and daughters for the Ninth Annual Mother-Daughter Tea. The decorations gaily presented the theme, "Funny Girl." Mothers relaxed while twenty girls modeled exciting fashions from Home Economic classes and the Lemon Tree. Entertainment was provided by girls in Trubadors and the duo of Mike Crouse and Gary Necci. Everyone enjoyed the results of the cookie contest when cookies, cake and punch were served. The cookies were judged by size (largest), best decorated, and relation to the theme. A Funny Girl album was given as the door prize. The 68-69 cabinet installed their new 69-70 cabinet. Tears and congratulation accompanied the announcement of the "Friendliest Girl of the Year" and Golden Paw. Golden Paw is an honorary recognition of senior girls who have made outstanding contributions to their school and deserve to be Girl of the Month. Unfortunately there were more girls than months.

Boys' State & Girls' State

Boys' State representatives were Mike Crouse and Bob Janowitz, with their conference held in Spokane at Gonzaga University. The girls' conference was held at Central Washington State College in Ellensburg, represented by Connie Scott and Nancy Wilder. These conferences are sponsored by the American Legion during the week of June 15 to 22. They were selected on outstanding leadership, character traits, scholarships, service and citizenship. They develop more active interest and intelligent view of the American Democratic system and the responsibilities of the citizen.

"In the Misty Moonlight"

Couples danced to the music of the Velvetones.

"In the Misty Moonlight" was the theme for the 1968-69 Junior-Senior Prom. It was held at the Washington Athletic Club, where the room was accented with sparkling lights and romantic decorations. The Velvetones entertained the lavishly dressed and truly unrecognizable students from Glacier, as they conversed with their friends and had their fill of mints and punch.

Happiness prevails during the Queen's waltz.

The Most Beautiful Thing in the Universe Is Life

In Memoriam Jeffery Huggard

Being a new student at Glacier, not many of us, unfortunately, were given a chance to get acquainted with him. But those of us who knew him, will always remember that each departed friend is "a magnet that attracts" us to the divinity of the next world. Knowing that, reputation is what you have when you come to a new community, and character is what you have when you leave, "we turn heavenward our eyes" to the memory of Jeffery Huggard.

White Satin

A fairy-tale setting was the theme for the annual Sophomore Tolo held February 21. Knights in shining armour watched over the couples while they danced by a huge castle in the center of the gym. The feeling of days of old and mysterious magic was felt by the couples while they enjoyed refreshments in view of a glowing fountain. The music was provided by The Super Band.

United they stand, divided they work harder. From Fall to Spring our pep staff continued to lead and represent Glacier's student body. Returning from the State Leadership Conference with many honors and new ideas for a better staff, they helped inspire our teams toward State.

BIG "G"

The lettermen of Glacier are united in the Big "G" club. Each year the club earns money by sponsoring a rummage sale to buy athletic equipment. This year the club subsidized a roter bus to Central Kitsap during Christmas Vacation.

G.A.A.

Girls Athletic Association is a club organized for girls interested in sports. These girls participate in intramural basketball, volleyball, gymnastics, field hockey and speed away. This year the club hosted a Track and Field Day in the Spring. They sold concessions at the basketball and football games and also sold sweatshirts. Those girls with one service credit and two-thirds attendance in at least three sports were awarded a letter.

Skiing

Brr ... It's so cold out side ... who took my skis ... heh! get off my foot ... Look out below ... I forgot how to turn! ... It might be cold and the snow might fall but the mighty skiers from Glacier were always on their way up to Ski Acres every other Sunday.

Bowling

Have you ever dropped a bowling ball on your foot? Or have you ever thrown the bowling ball in the wrong lane? Or are you just a person who throws gutter balls one right after the other? The Bowling Team practice these fine techniques every Thursday, or so they say. Seriously, the bowling team shows their enthusiasm by competing for trophies and simply having fun.

500 Mile Club

Energetic is the word that best describes every member of the newly formed 500 Mile Club.

Members are given three months in which each girl must run 200 miles, and each boy must attain an unbelievable total of 500 miles.

The club stresses physical fitness, as well as the boundless urge to conquer.

Croquet Club

Would you believe . . . Croquet Club? Yes, we have one and a pretty good one at that. Last year in the annual Croquet tournament, Glacier placed second.

As a note of encouragement to all members "Keep the ball rolling!"

F.T.A. and Debate Meet Mental Challenges

Debate

"Resolved that the U.S. establish a system of compulsory national service for all citizens," was the national high school debate topic for 1968-1969. The debates are between league high schools. Each school sends two teams of two people. One team presents the affirmative argument, the other the negative. The team's challenge is to master coordination between mind and mouth.

F.T.A.

Future Teachers of America are students interested in a career as teachers. Members of F.T.A. have the opportunity to tour Washington Colleges. Their major activity is to help teachers at nearby elementary schools.

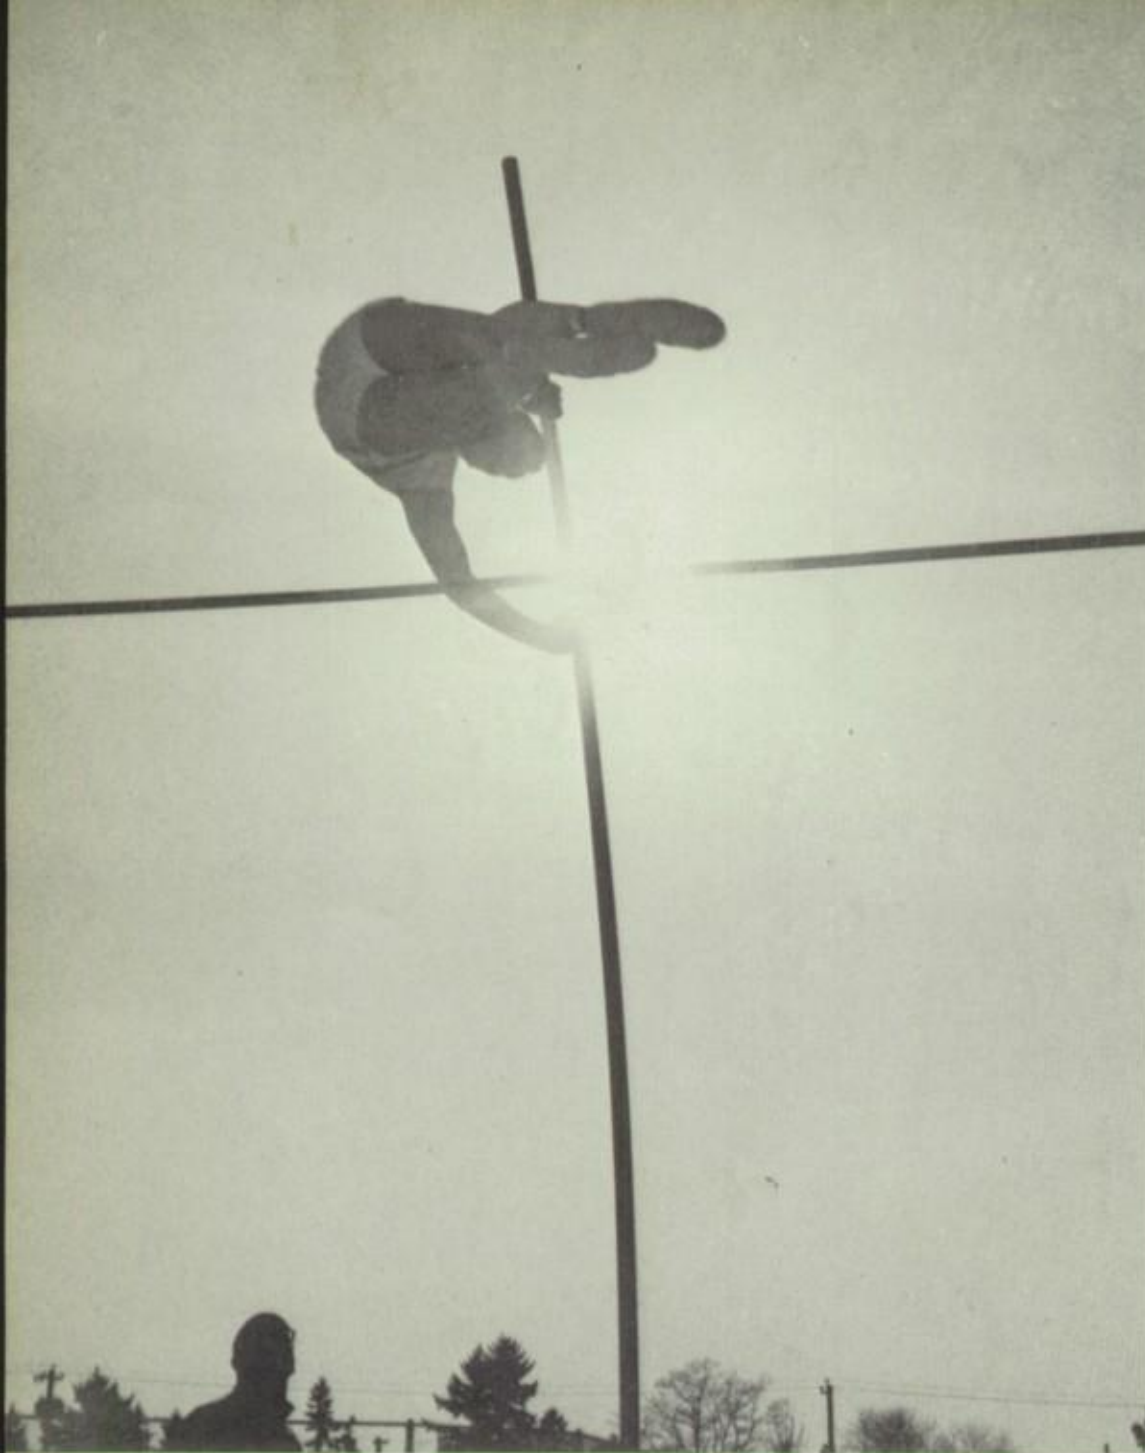

Standing, L to R: Craig Tavenner, Gail O'Shea, Rona Nelson, Claudia Rice, Gina Fisk, Julie Nomie, Mr. Sypher. Seated: Glenda Cozart, Darlyne Clark, Vice President; Carolyn Hoffman, President; Phyllis Taylor, Secretary; Debbie Schmidt.

TENNIS

With three returning lettermen, tennis added to a rewarding and successful year in sports. The teams, coached by Mr. Mathison and Mr. Olson gained experience and sportsmanship whether they won or lost. Each spring the Varsity team is chosen by competition matches played between likely candidates. Those having the most wins at the end make up Glacier High School's Varsity Tennis Team.

Senior Privilege Card Holders

Seniors with privilege cards represent proven responsibility. During their final year, these students are allowed to use school time for extra study, research, or just taking it easy in the senior lounge. Teachers permission, recommendation, and extensive screening based on attendance, grades and responsibility was used to determine this elite group of Seniors.

Mr. Howard has directed the Choir through a great year at Glacier. They have proved their fine talents several times through out the year for the student body and others. On certain occasions they travel to other schools to perform.

One of the more outstanding groups at our school is the GLACIER High School Troubadours. Under the leadership of Mr. Howard these eighteen students perform at Glacier and various other places during the year such as our Father-Daughter Banquet. They have done a great job this year.

Senior Celebraties

PRETTIEST HAIR is only one of the fine qualities of Mary Whittle and Terry Pelton.

What would the sightseers do without the BEST LEGS of Joan Perucca and Mike Foote.

Certainly a deserving honor went to Ron Thompson and Sandy Chamberlin as BEST ALL AROUND.

Nature gave Dave Manthey and Lori Bowman a great gift of possessing the PRETTIEST EYES.

One of the best ways to show Doug Henken's and Barb Mann's personality is by their BEST SMILE.

Our school would be nothing without the BEST SCHOOL SPIRIT of Arnie Blankers and Vicki Larson.

Two of the **MOST TALENTED** and hard working people were Gary Necci and Diane Adams.

The laughter of all was due to the **BEST SENSE OF HUMOR** of Dwain Cooper and Randi Harvey.

Having the **BEST PERSONALITIES**, Bruce Dubois and Carlyn Hove will continue to be admired.

Trena Page and Tim McQuade, due to natural ability and practice were the **MOST ATHLETIC**.

The **CUTEST COUPLE** and undoubtedly the happiest also were Mary Jo Lovell and Tom Glithero.

It's the **MOST INTELLECTUAL** people who run the country and Linda Taylor and George Lucas have got what it takes.

Mark Brown and Kathy Brandt, having the **BEST PHYSIQUE AND FIGURE**, proved what good exercise and self-control can do.

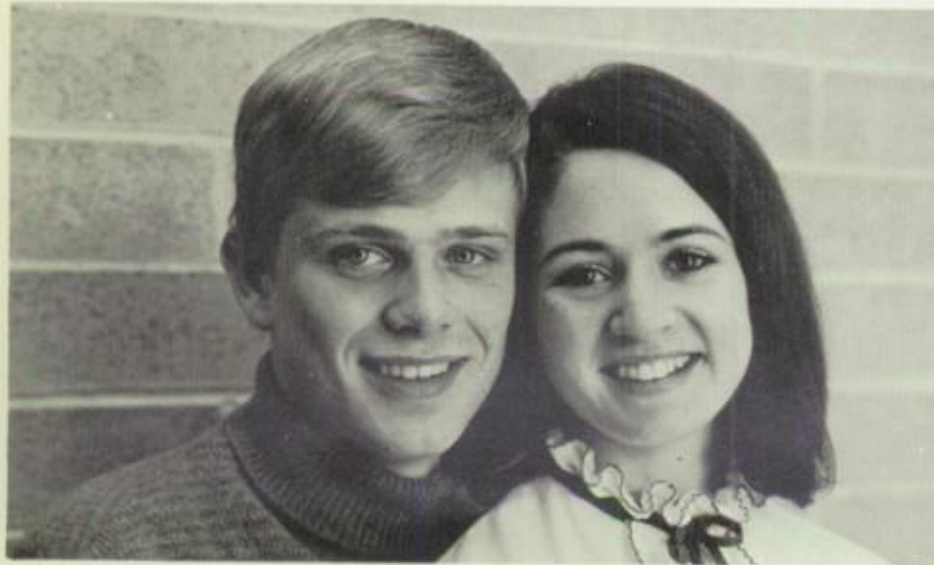

Ready smiles and cheerful personalities made Paul Dehnert and Sandi Lane the **FRIENDLIEST**.

The **BIGGEST FLIRTS**, Duane Hatch and LaNita Prowell livened the ego of all their peers.

Always looking good, Karen Cole and John O'Neil were deservedly chosen as **BEST DRESSED**.

MOST HANDSOME and **PRETTIEST** this year were Rick Prehm and Vicki Fetzer.

The **BIGGEST APPLE POLISHERS**, Rich Hanley and Joyce Dong, are full of fun and flattery.

Two of the nicest and **SHYEST** people at Glacier were Katie MacKinnon and Wayne Erickson.

Their enthusiasm and ambition made Terry Lavender and Ray Desimone **MOST LIKELY TO SUCCEED**.
